

Client Testimonials

SPEEDREADINGPEOPLE®

"SpeedReading People is becoming the most popular section of any of the classes we deliver."

Organizational Performance Section Chief
**U.S. Coast Guard Leadership
Development Center**

"BEST manager training I have had at The Hartford!"

Sales Manager
The Hartford

"Develops a systematic approach to utilizing a salesperson's natural ability to relate to and connect with people."

Technical Sales Associate
Texas Instruments

"I have been constantly speedreading people since the class and have become more and more convinced of the critical importance of this course for anyone's success. . . I thoroughly enjoyed every moment."

Senior Instructor of Management Dev.
AT&T

"Terrific tool for recognizing and reacting to both your own and others' feelings and perceptions."

Human Resources Director
Fidelity Investments

"The class was great! I believe this training will be some of the most useful I've had in years. . . The on-line tool is also great!"

Systems/Software Engineering Manager
Hamilton Sundstrand

"I highly recommend this course to everyone who desires to improve their communication skills using a modern, up-to-date, easy to use, well documented technique"

Business Analyst
Pratt & Whitney

"This is an excellent tool that we can use in both a sales environment as well as in managing internal situations and staff. Certainly this should be given to the whole sales team worldwide."

Sales Director
Lionbridge Technologies

"The speed at which folks were able to begin actually successfully implementing the SpeedReading concepts was remarkable. I'm excited to begin using the on-line tools."

Organizational Dev. Consultant
AT&T

"Great resource/tool to use for team building. Really helps understand each others' learning styles/weaknesses/strengths."

Human Resources Manager
Fidelity Investments

"This is a very well run course. I found it to be well worth the time spent. I would recommend this class to anyone at any position. I like the positive focus on everyone's differences."

Research Scientist
Vertex Pharmaceuticals

"I have to say that this was the best training session I have attended. . . I highly recommend this course to everyone in business. You will learn how to better understand what makes you, your boss and your employees tick and how they like to see information to make a decision . . . This is a fantastic course!"

General Accounting & Controls Manager
UTC Power

"This was the best communication program I have ever attended! I can't wait to put these ideas and outreach into practice! I would recommend this program to everyone."

Professional Development Coordinator
Goodwin Procter LLP

"The facilitators delivered such important basic material in a concise way, the content was brilliant, but the delivery was even better."

Manager, Consumer Ops
AT&T

"I thought the program was well presented, good give and take between lecture, group exercise, and one on one time. Day went by fast and very informative and useful info."

Human Resources Director
Fidelity Investments

"Excellent framework for helping us understand ourselves; but more importantly, understanding those around us, which will help us be successful in our association with them."

VP Sales
Lionbridge Technologies, Inc.

"Speedreading People provides you with tools you'll use before you leave the classroom!"

Operations Manager
The Hartford

"A great program for anybody who would like to be a more effective communicator, worker, manager, partner, client, or person. Very valuable and applicable to all. Thanks!"
